And At the end, we share our top tips for getting the most out of your trip to SeaWorld. So, whether you're a first-time visitor or a seasoned pro, let's dive into the world of SeaWorld Orlando!

SEAWORLD ITINERARY FROM START TO END AND HOW MANY RIDES:

1. MANTA ROLLER COASTER

We start our clockwise tour with one of our favorite roller coasters in the park, the MANTA.

This stingray-shaped roller coaster allows guests to encounter numerous species of rays before boarding, reaches a top speed of 56 miles an hour and dives you head first, face down as you spin through four different inversions, takes you on a 3359 foot long roller coaster ride. An extreme ride that's not for the faint of heart, and is one of the best roller coaster at seaworld!

2. AQUARIUM

After an adrenaline-fueled ride on Manta, we went to the aquarium, this walkthrough aquarium is located right next to the entrance of Manta and has 10 different unique naturalistic aquariums that are inhabited by more than 3,000 marine animals. Including stingrays, starfish, seahorses, and various other fish and sea creatures.

3. DOLPHIN ADVENTURES SHOW

We didn't want to miss the thrilling Dolphin Adventures show, so we decided to spend less time at the aquarium. This live performance featuring bottlenose dolphins was an absolute must-see for us. It offered a perfect blend of education and entertainment, making it one of our favorite shows in the park.

4. DOLPHIN UNDERWATER VIEWING

Just a short walk from the dolphin stadium is the Dolphin underwater viewing area where you'll get a chance to see the dolphins from a completely different angle.

From here we had our early lunch at seafire Grill and then trying a lot of different foods at Seven Seas Food Festival 2023!

5. LUNCH AT SEAFIRE GRILL, SEVEN SEAS FOOD FESTIVAL AND VOYAGERS

Open at 11 am, this waterfront restaurant is part of sea world's all-day dining plan, offers a chicken sandwich, chicken tenders, fries and desert. Their Hand breaded chicken tenders and fries from Seafire Grill is actually good, juicy and Crispy!

The restaurant has indoor and outdoor seating areas, so you can enjoy your meal while taking in the park's beautiful views.

During our visit they have Seven Seas Food Festival:

SeaWorld[®]

SEVEN SEAS FOOD FESTIVAL

200+ FLAVORS
28 LIVE CONCERTS
1 AMAZING FESTIVAL

This festival takes place annually at SeaWorld Orlando, offers a variety of international cuisine from around the world

With over 180 different dishes to choose from. Some of the most popular options include the lobster mac and cheese, the jerk chicken, and the fish tacos.

And our first try is smoked Jerk Chicken slider, that comes with pineapple slaw and banana pepper which was ok, the chicken is not enough seasoning and a bit dry.

Then we went to the voyagers smokehouse which is our favorite restaurant in the park. Their Smokehouse Sampler is a must-try, featuring tender pork ribs, flavorful

beef brisket, and juicy smoked chicken. It's a satisfying and flavorsome meal in a rustic setting.

We also try Classic Reuben, Lobster Mac and Cheese and Strawberry Shortcake from the Food Festival.

While the Reuben was a bit disappointing and the Lobster Mac and Cheese didn't quite live up to expectations, the Cheese and Strawberry Shortcake stole the show. This heavenly treat combined the sweetness of the strawberry sauce with the richness of the cheese cake in a flawless symphony of flavors. Each bite was a delightful blend of sweet and savory, creating a dessert that truly highlighted the day!

After Lunch we try to get in to the sky tower but we are disappointed because they were closed, so went to see Sea Lion & Otter Spotlight show.

6. SEA LION & OTTER SPOTLIGHT SHOW

This lively and entertaining show features the incredible talents of sea lions and otters, showcasing their natural abilities and playful personalities. So, Don't miss this delightful show during your visit to SeaWorld Orlando and be prepared to be

amazed by the incredible talents of sea lions and otters as they perform impressive tricks, flips, and jumps.

7. SEA LION POINT & FEEDING

In addition to the Sea Lion & Otter Spotlight show, we have the opportunity to get up close and personal with sea lions and participate in the Sea Lion Feeding through the Sea Lion Point experience.

8. ANTARTICA

From Sea Lion & Otter Spotlight show we make our way to Antarctica Penguin Encounter, where you get to see incredibly popular penguin exhibit up close and personal. In here we able to see the penguins waddle and swim through their snowy environments, but I must warn you, this place was freezing cold!

After Antarctica Penguin Encounter, we headed straight to Kraken, an iconic roller coaster inspired by the legendary sea monster.

9. KRAKEN ROLLER COASTER

This intense ride features multiple inversions, twists, and turns that will leave you

breathless, with the added virtual reality element, you'll be immersed in a thrilling world of mythical sea creatures, creating an unforgettable experience.

If you're seeking an adrenaline rush, don't miss the chance to dive into the depths of the sea aboard Kraken.

It's a colossal coaster that lives up to its name and reputation. The moment you step onto the ride, you can feel the anticipation building as you buckle up for the adventure of a lifetime.

Once the ride starts, it's an adrenaline-fueled frenzy of twists, turns, and inversions. The combination of the coaster's intense speed and the captivating virtual reality experience was absolutely mind-boggling.

Next, we'll make our way to Journey to Atlantis, a water coaster that takes you on a journey through the lost city of Atlantis. It's a mix between a dark ride and a water ride, and it's a lot of fun.

But since it was a long wait, so just skipped it.

10. EXPEDITION CAFE AND LAKESIDE GRILL

Next we had our next food at Expedition Cafe where we had orange chicken, fried rice and pot sticker. Which to our pleasant surprise, they were tasty and delicious.

As we ventured through the Seven Seas Food Festival, our taste buds were treated to a delightful array of flavors.

I couldn't resist trying the Pei Shrimp Fritters (shrimp balls with corn and spicy aioli) from Atlantic markets, they were savory with a delightful hint of spiciness.

Another standout was the Classic Lobster roll, which was simply delicious!

Continuing our food adventure, we decided to try the burgers at Lakeside Grill. Unfortunately, we were left quite disappointed. The burger turned out to be dry, and to be honest, it reminded us of shoe leather in terms of texture.

Even my son, who is a big burger fan and eats them regularly, couldn't bring himself

to take another bite.

We hate to say it, but based on our underwhelming experience, we wouldn't recommend the burgers at Lakeside Grill.

11. SHARK ENCOUNTER

This is a walkthrough attraction that takes you through an underwater tunnel, this tunnel has a moving walkway where you can see sharks and other sea creatures up close.

12. MAKO

Another highlight of our visit was the Mako, this ride is next to the shark encounter, which is a hyper roller coaster known for high speeds, deep dives and thrills at every turn named after one of the ocean's fastest sharks this roller coaster, speeds up to 73 miles an hour and up to 200 feet high.

So gather your courage and get ready for an unforgettable coaster experience that will have you screaming with joy!

Believe me, Mako is a ride you don't want to miss while you visiting the SeaWorld Orlando!

After enjoying the thrilling ride on Mako, we headed towards Infinity Falls. But since we didn't want to get soaked, we decided to skip the water rides.

While exploring the area, we continued our food tour.

We had Moroccan Grilled Lamb Chop, Parmesan Truffle Fries from Mediterranean market along with the Picanha Steak, from Brazilian market, which were absolutely amazing!

However, the Cheese Bread with Honey Whipped Butter was just average.

From Mediterranean market to the Asian Market!

Continuing our food journey at the Asian Market, my kind of jams!

I started with their specialty cocktail, the Tokyo Rose. It was a refreshing blend of sake, vodka, triple sec, and cranberry.

I couldn't resist the Gua Bao— Grilled Pork Belly in a steamed bao bun, served with pickled cucumber and shredded carrots.

While the bun was soft, the meat was a bit tough and chewy.

But oh boy, the real winners were the Fried Dumplings and Salted Caramel Popcorn Ice Cream! The dumplings were crispy on the outside and bursting with savory flavors inside. And the Salted Caramel Popcorn Ice Cream? It was an absolute delight! Creamy, sweet, and salty. Yumm....

With our tummies full of yummy food, we made our way to the Orca Stadium to watch the incredible Orca Encounter show.

13. ORCA STADIUM

It was a awesome experience where we learned about the playfulness of killer whales.

14. ICEBREAKER ROLLER COASTER

Named after the icy arctic summit, this a must-try roller coaster offers combination of intense launches, twists, turns, and a steep vertical drop. The unique feature of four airtime launches, both forwards and backwards, adds an extra level of excitement. it's another epic ride that you don't want to skip!

15. WILD ARTIC

Finally, just across the walkway from Icebreaker, we visited Wild Arctic. We came face to face with beluga whales, getting a glimpse of what it's like to be in the Arctic. It was the perfect way to conclude our tour of SeaWorld Orlando.
